Rep. Steve Doyle Receives Committee Assignments

Will represent La Crosse County on Transportation, Insurance, Tourism and Corrections committees

State Representative Steve Doyle (D-Onalaska), received appointments to four Assembly committees today for the 2013-14 legislative session. The committees include:

- Corrections (Ranking Member)
- Insurance
- Transportation
- Tourism

"I am excited to serve on all of these important committees," state Doyle. "I would like to thank Assembly Minority Leader Peter Barca for placing his trust in me to help represent Western Wisconsin on these critical issue areas.

"Each of these committees has a direct impact upon our local economy," said Doyle. "My focus during this session will be on creating well-paying jobs and I believe that these committees provide an excellent opportunity to advocate for these goals."

Rep. Doyle served on the Transportation, Insurance and Tourism committees during the 2011-12 legislative session. Rep. Doyle was reelected in November to serve his second term representing the 94th Assembly District.
